Some Suggestions for further improvement: 209 responses

- Plz help students to understand everything about their studies
- Start the offline classes so that the studies of further education will improve more.
- Remove the Place of drinking water
- Start offline classes soon
- In sports area, yearly student can perform any sports activities but semester students cannot they have to go with continue classes and exams so there should be proper

- arrangement for sports for each and every student.
- Personality development classes should conduct
- Placement should be given more to the students in big companies.
- College must manage the proper timetable for students
- My son told me that syllabus is outdated and far from real-life.
- Syllabus must revised

- Exams are conducted online process because we do not want any Risk for our children health so totally agree with the online process examination
- Safety measures should follow
- Infrastructure not good enough.
- Online exams must be conducted this semester as there is a short of time
- Give more importance in learning practically rather than theoretically
- Network issues
- Give time for hard subject which need more focus.
- Provide a one on one conference with students.
- Feedback evaluates the quality of the care provided.
- Create more opportunities for student leadership development
- Create more opportunities for students leadership development
- Periodic test should be taken and make the students appear in the test strictly.
- Open the food center
- Try to Develop the children's potential
- Focus on extra curriculum activity
- Could work in placement process. Provide easily assessable internet. Provide better books in library. Few members in the main office are rude, could look after it. Item available bin canteen are too expensive, make it reasonable. Parking area is not properly build, its really difficult to take out the vehicle from there.
- Judge students according to knowledge and skills.
- Extra curriculum activities should be increased
- They must improve college campus a bit more.
- please provide more items in collage canteens
- Try to provide More attention to slow learners
- Provide internal marks on the basis of the ability and overall marks of the student
- Online classes are good but some time board is not visible or blurry.
- lab's computer has to be repaired and well
- Focus on scholarship scheme More focus on sports and activities
- Be more optimistic and keep motivating children for their goals more, not just for marks or degree. Thank you!
- Focus on the work related to the future of students
- Game and other activities are not available, no playground for students... Campus is not painted
- Teacher should only speak in English and inform guidelines regarding University to students time to time. Should also give chances to for internship by college
- Offline classes need to be normalized.

- Focus on soft skills
- Pest control is necessary, washrooms taps and accessories are not working properly, maintenance of air ducts is must.
- There should be clear communication between superior and subordinate and Training and development and research department should give more focus than before. Thank you
- Enhancement Research participation
- Vision need to be shared with the employees which will enable us to match the activities.
- Hostel facility for the students
- Infrastructural Improvement is needed
- I think laboratory helps a student in improving their approach towards the

- subject. So laboratory should have sufficient required equipments for practical.
- Organized Schedule Meetings for overall betterment.
- We should have uniform process for data management.
- Ramp for special child's.
- Needed staff vehicle stand.
- Required Staff canteen in college campus
- Staff canteen facility, girls and boys hostel separately
- Required Language lab
- Faculty development programme should be more in quality and quantity.
